# 4  Step Process To Making Money Flying Drones (sUAS)

Register & Study the Drone**X** – FAA Remote Pilot sUAS Test Prep Online Course.

Schedule to take the FAA Remote Pilot sUAS Test at one of the FAA certified Knowledge Testing Centers (KTC) near you.

After passing the Aeronautical Knowledge Test.. Register & complete FAA Form 8710-13 for a Remote Pilot Certificate using the electronic FAA Integrated Airman Certificate and/or Rating Application system (IACRA).

**Congratulations!** Start making money flying Drones. A permanent remote pilot certificate will be sent via mail once all FAA-internal processing is complete. An email with a temporary certification will be sent prior to your permanent certificate arriving.
